

# Data Protection Notice

Bosch Sensortec GmbH (hereinafter “Bosch” or “We” or “Us”) welcomes you to the “Bosch Sensortec IoT Innovation Challenge” (also referred to as “Challenge”). We thank you for your interest in our company and our products.

## 1. Bosch respects your privacy

The protection of your privacy throughout the course of processing personal data as well as the security of all business data are important concerns to us. We process personal data that was gathered during your visit of our Online Offers confidentially and only in accordance with statutory regulations. Data protection and information security are included in our corporate policy.

## 2. Controller

Bosch is the controller responsible for the processing of your data; exceptions are outlined in this data protection notice.

Our contact details are as follows:

Bosch Sensortec GmbH

Gerhard-Kindler-Strasse 9, 72770 Reutlingen, GERMANY

Telephone number: +49 7121 3535-900

Email address: [contact@bosch-sensortec.com](mailto:contact@bosch-sensortec.com)

## 3. Collection, processing and usage of personal data

### 3.1 Principles

Personal data consists of all information related to an identified or identifiable natural person, this includes, e.g. names, addresses, phone numbers, email addresses, contractual master data, contract accounting and payment data, which is an expression of a person’s identity. We collect, process and use personal data (including IP addresses) only when there is either a statutory legal basis to do so or if you have given your consent to the processing or use of personal data concerning this matter, e.g. by means of registration.

### 3.2 Processed categories of data

The following categories of data are processed:

- Communication data (e.g. first name, last name, Street no., ZIP, City, Country, Mobile phone, e-Mail address, T-Shirt size, skills)
- Contractual master data (e.g. contractual relationships, contractual or product interest)
- Education and training details (e.g. university, study program, university certificate of enrolment)
- Audiovisual recording (e.g. participant’s image)
- Client history (e.g. emails, documents, processing status, tasks to be completed, interview transcripts, questionnaires)

### 3.3 Processing purposes and legal basis

We as well as the service providers commissioned by us; process your personal data for the following processing purposes

- Conducting and organizing the online event “Bosch Sensortec IoT Innovation Challenge” (“Challenge”)

**Legal basis:** Fulfillment of contractual obligations. The following conditions apply:

[https://www.bosch-sensortec.com/media/boschsensortec/about\\_us/events/hackathon\\_1/iot\\_termsconditions.pdf](https://www.bosch-sensortec.com/media/boschsensortec/about_us/events/hackathon_1/iot_termsconditions.pdf)

For the purpose of organize the participation of the ten (10) best teams at the “MikroSystem-Technik Kongress 2021” the transfer of your data to the following controller(s) is required: VDE/VDI-Gesellschaft Mikroelektronik, Mikrosystem- und Feinwerktechnik (VDE/VDI-GMM), Stresemannallee 15, 60596 Frankfurt/Main.

**Legal basis for the transfer:** Fulfillment of contractual obligations.

- To contact you; get feedback from you.

**Legal basis:** Fulfillment of contractual obligations; for this the conditions of participation described in the General Terms and Conditions of Bosch Sensortec GmbH for participation in the “Bosch Sensortec IoT Innovation Challenge” or your consent apply.

- Self-promotion and promotion by others as well as market research and reach analysis done within the scope statutorily per-mitted or based on consent

**Legal basis:** Consent / legitimate interest on our part in direct marketing if in accordance with data protection and competition law.

- Resolving service disruptions as well as for security reasons.

**Legal basis:** Fulfillment of our legal obligations within the scope of data security and legitimate interest in resolving service disruptions as well as in the protection of our offers.

### 3.4 Registration

If you wish to use or get access to benefits requiring to enter into the fulfillment of a contract, we request your registration. With your registration we collect personal data necessary for entering into the fulfillment of the contract (e.g. first name, last name, Street no., ZIP, City, Country, Mobile phone, email address) as well as further data on voluntary basis, if applicable. Mandatory information is marked. The registration for participation in the Bosch Sensortec IoT Innovation Challenge takes place on the registration platform of our external service provider. For further information on the processing of your personal data on the registration platform and your rights as a data subject as well as setting options for the protection of your privacy, please refer to the data protection notice available at <https://www.hackjunction.com/policy>.

### 3.5 Log Files

Each time you use the internet, your browser is transmitting certain information which we store in so-called log files. We store log files to determine service disruptions and for security reasons (e.g., to investigate attack attempts) for a period of 7 and delete them afterwards. Log files which need to be maintained for evidence purposes are excluded from deletion until the respective incident is resolved and may, on a case-by-case basis, be passed on to investigating authorities. Log files are also used for analysis purposes (without the IP address or without the complete IP address) see “Self-promotion and promotion by others as well as market research and reach analysis” in the section 3.3 Processing purposes and legal basis.

In log files, the following information is saved:

- IP address (internet protocol address) of the terminal device used to access the Online Offer;
- Internet address of the website from which the Online Offer is accessed (so-called URL of origin or referrer URL);

- Name of the service provider which was used to access the Online Offer;
- Name of the files or information accessed;
- Date and time as well as duration of recalling the data;
- Amount of data transferred;
- Operating system and information on the internet browser used, including add-ons installed (e.g., Flash Player);
- http status code (e.g., “Request successful” or “File requested not found”).

#### **4. Children**

This Online Offer is not meant for children under 16 years of age.

#### **5. Data transfer to other controllers**

Principally, your personal data is forwarded to other controllers only if required for the fulfillment of a contractual obligation, or if we ourselves, or a third party, have a legitimate interest in the data transfer, or if you have given your consent. Particulars on the legal basis and the recipients or categories of recipients can be found in the Section – Processing purposes and legal basis. Additionally, data may be transferred to other controllers when we are obliged to do so due to statutory regulations or enforce-able administrative or judicial orders.

#### **6. Service Providers**

We involve external service providers with tasks such as registration process on a registration platform, contract management and hotline services. We have chosen those service providers carefully and monitor them on a regular basis, especially regarding their diligent handling of and protection of the data that they store. All service providers are obliged to maintain confidentiality and to comply with the statutory provisions. Service providers may also be other Bosch group companies.

#### **7. Transfer to recipients outside the EEA**

We might transfer personal data to recipients located outside the EEA into so-called third countries. In such cases, prior to the transfer we ensure that either the data recipient provides an appropriate level of data protection or that you have consented to the transfer. You are entitled to receive an overview of third country recipients and a copy of the specifically agreed-provisions securing an appropriate level of data protection. For this purpose, please use the statements made in the Contact section.

#### **8. Duration of storage, retention periods**

Principally, we store your data for as long as it is necessary to render our Online Offers and connected services or for as long as we have a legitimate interest in storing the data (e.g. we might still have a legitimate interest in postal mail marketing after fulfillment of our contractual obligations). In all other cases we delete your personal data with the exception of data we are obliged to store for the fulfillment of legal obligations (e.g. due to retention periods under the tax and commercial codes we are obliged to have documents such as contracts and invoices available for a certain period of time).tax and commercial codes we are obliged to have documents such as contracts and invoices available for a certain period of time).

#### **9. Security**

Our employees and the companies providing services on our behalf, are obliged to confidentiality and to compliance with the applicable data protection laws. We take all necessary technical

and organizational measures to ensure an appropriate level of security and to protect your data that are administrated by us especially from the risks of unintended or unlawful destruction, manipulation, loss, change or unauthorized disclosure or unauthorized access. Our security measures are, pursuant to technological progress, constantly being improved.

## **10. User Rights**

To enforce your rights, please use the details provided in the Contact section. In doing so, please ensure that an unambiguous identification of your person is possible.

### **10.1 Right to information and access**

You have the right to obtain confirmation from us about whether or not your personal data is being processed, and, if this is the case, access to your personal data.

### **10.2 Right to correction and deletion**

You have the right to obtain the rectification of inaccurate personal data. As far as statutory requirements are fulfilled, you have the right to obtain the completion or deletion of your data. This does not apply to data which is necessary for billing or accounting purposes or which is subject to a statutory retention period. If access to such data is not required, however, its processing is restricted (see the following).

### **10.3 Restriction of processing**

As far as statutory requirements are fulfilled you have the right to demand for restriction of the processing of your data.

### **10.4 Data portability**

As far as statutory requirements are fulfilled you have the right to demand for to receive data that you have provided to us in a structured, commonly used and machine-readable format or – if technically feasible – that we transfer those data to a third party.

### **10.5 Objection to direct marketing**

Additionally, you may object to the processing of your personal data for direct marketing purposes at any time. Please take into account that due to organizational reasons, there might be an overlap between your objection and the usage of your data within the scope of a campaign, which is already running.

### **10.6 Objection to data processing based on the legal basis of “legitimate interest”**

In addition, you have the right to object to the processing of your personal data at any time, insofar as this is based on “legitimate interest”. We will then terminate the processing of your data, unless we demonstrate compelling legitimate grounds according to legal requirements which override your rights.

### **10.7 Withdrawal of consent**

In case you consented to the processing of your data, you have the right to revoke this consent at any time with effect for the future. The lawfulness of data processing prior to your withdrawal remains unchanged.

## **11. Right to lodge complaint with supervisory authority**

You have the right to lodge a complaint with a supervisory authority. You can appeal to the supervisory authority which is responsible for your place of residence or your state of residency or to the supervisory authority responsible for us.

This is:

State Commissioner for Data Protection and Freedom of Information

Address: Königstrasse 10a, 70173 Stuttgart

Postal address: P.O. Box 10 29 32, 70025 Stuttgart, GERMANY

Phone: 0711/615541-0

Fax: 0711/615541-15

Email: [poststelle@lfdi.bwl.de](mailto:poststelle@lfdi.bwl.de)

## **12. Changes to the Data Protection Notice**

We reserve the right to change our security and data protection measures. In such cases, we will amend our data protection notice accordingly. Please, therefore, notice the current version of our data protection notice, as this is subject to changes.

## **13. Contact**

If you wish to contact us, please find us at the address stated in the “Controller” section. To assert your rights and to notify data protection incidents please use the following link:

<https://www.bkms-system.net/bosch-dataprotection>. For suggestions and complaints regarding the processing of your personal data we recommend that you contact our data protection officer:
