REACH Compliance Declaration

Dear Valued Customers,

The latest EU candidate list of Substances of Very High Concern ("SVHCs") was updated and published by ECHA on 2019-07-16 ("SVHC List"), and is available at

<http://echa.europa.eu/web/guest/candidate-list-table>

On behalf of Bosch Sensortec, we herewith confirm that our products contain none of the substances listed in the SVHC List, at a concentration exceeding 0.1% weight by weight (w/w) of the entire part.

Bosch Sensortec endeavours to ensure the compliance of its products with Annex XIV and Annex XVII. Please keep in mind that the information being provided herewith regarding the substances contained in our products has been obtained by reviewing information provided by suppliers or producers of the raw materials used in these products. We have not conducted any tests to determine the presence of these substances.

In the event that further information is required, we would suggest that appropriate testing be conducted, as we are unable to provide any additional data. If you have any questions, please feel free to contact to your local sales representative.

Yours sincerely
