

# Step by step guide for the Bosch Sensortec Community

Do you have a technical question and need help?  
Create your Bosch Sensortec Community account and get support.  
To get started please follow these steps:

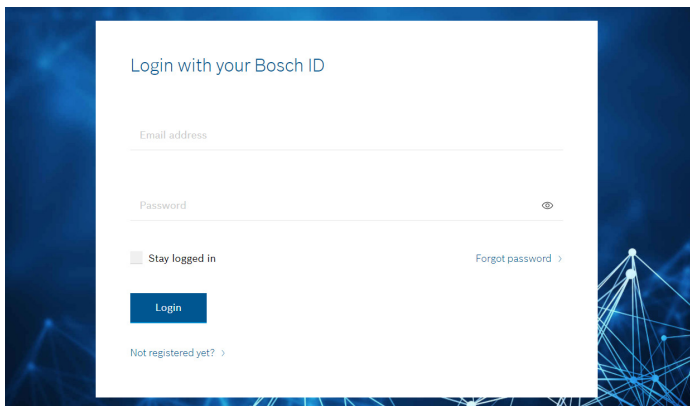

## 1 Click on “Register or login now”

## 4 Click on “Start a topic”

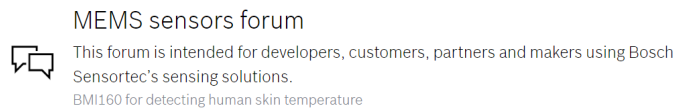

## 2 Create your community account

## 5 Ask your question and post it

- ▶ Enter the subject
- ▶ Enter your question and add pictures or other attachments if necessary
- ▶ Add the Message Tag: **IoT Innovation Challenge**
- ▶ Check the box “Email me when someone replies” to get notified
- ▶ Click on “Post”

## 3 Go to MEMS sensors forum

## 6 Wait for a response of the community manager
